To Whom it May Concern:

Burgess Pigment Company declares that it has reviewed the European Chemicals Agency (ECHA) Candidate List of Substances of Very High Concern and the ECHA List of Substances Subject to Authorization: First and Second Recommendations for Annex XIV of REACH. This review includes all substances added by subsequent decisions through ED/69/2013.

We affirm that Burgess Pigment products are not made from substances found on those lists nor are those substances intentionally added during the manufacturing process.

Sincerely,

Marc Sack
VP Operations
Burgess Pigment Co.

Lewis Berry
Technical Director
