Price Increase Notification Effective September 1, 2026

Dear Valued Customer: Due to unrelenting cost pressures on energy, mining, raw materials, and logistics, we must address pricing with an increase up to ten percent or more as contracts allow, effective September 1st. Certain grades or market segments will realize significantly higher increases depending upon packaging, chemical treatment, form, and logistics. Our continuing goal is to deliver the best possible Quality and Service with the most favorable economics. This increase will allow us to maintain these proven standards.

We wish to take this opportunity to thank you for your business and we look forward to the privilege to be of service in the future.

Sincerely yours,

Thomas O. Adrien
